WELCOME!

ROYAL WIRE is proud to be the original manufacturer, retailer and wholesaler of the largest wire organizational system in the equine industry. Over thirty years of experience at horse shows and racetracks have shaped our outstanding product line. Royal Wire is committed to the design, quality, durability and longevity of your products. We are proud that the material and technical knowledge gained over the years, shows in our finished product. At Royal Wire, we are convinced that our equine product line is the most innovative, durable and convenient organizational system on the market today.

QUALITY All of our products are made from carbon steel wire and one inch round or square tubing. Our products are plated with zinc for rust resistance. Royal Wire is proud to say that we manufacture our own superior equine product line right here in the great USA.

READY-TO-USE Most of our products are manufactured with one-piece construction design. This design creates the most sturdy, durable and convenient products available for our customers. Most products are ready for use right out of the box.

SHIPPING Our commitment to one-piece construction results in a slight increase in shipping cost. Several of our items are considered over sized by ground transportation companies and the Stall Gates must ship motor freight (F.O.B. Cleveland, OH).

CUSTOMER SERVICE Royal Wire's customer service department is built on over 50 years of equine experience. Customers may place orders by phone, fax, or internet. Hours are Monday-Friday 8:00am-4:00pm E.S.T. Toll Free Number: 877-548-9973

Thank you for your interest in our Royal Wire Equine Product Line. Royal Wire is so confident in our products, we know that once you try them, you will be a customer for life.

Giddy-up!

SHELVING UNITS

WFM-3WB-001
3-Tier Wall Basket Unit

WFM-COR-001
Corner Basket Unit

The 3-Tier Wall Basket Unit is a must have for the wash rack! Our 3-Tier Wall Basket Unit comes with two baskets that measure 19"L x 9"W x 7"D and one that measures 19"L x 6 1/2"W x 7"D. Baskets are adjustable and removable. Use the two 15" single wire hooks provided to hook over a standard 2"x4" for portability, or mount it permanently to a wall. It is constructed from carbon steel and zinc plated to help prevent rust and corrosion.

Royal Wire's answer to wasted corner space! The Corner Basket Unit has three adjustable, removable baskets that are spacious enough to hold all your grooming products. The frame of the Corner Basket Unit folds flat when baskets are removed for easy storage and transportation. The Corner Basket is great for tack rooms, trailers and garages. It is made out of carbon steel and zinc plated.

WFM-FSS-001
Free Standing Shelf Unit

The Free Standing Shelving Unit is another exclusive Royal Wire product. The Free Standing Shelving Unit is a fantastic addition to any tack room, garage or basement. This extremely versatile shelving unit comes with four adjustable shelves to keep barn necessities or home improvement items organized and in easy reach. Remove the four adjustable shelves and the frame of the Free Standing Shelf folds into one flat piece. Its slim frame makes it a breeze to store or take on the road. Shelves are 16"D x 36"W.

The Collapsible Hanging Shelf is a must have item! Shelf hangs over any standard 2"x4" and folds down into one flat piece for easy storage and portability. The Collapsible Hanging Shelf is perfect for keeping anything from hat boxes to grooming bags up and out of the way. 16"D x 36"W.

WFM-CHS-001
Collapsible Hanging Shelf

HAT AND CLOTHES RACKS

Royal Wire's Hat Can Holder helps keep up to four English or Western hat cans out of the way in an organized fashion. The Hat Can Holder can be permanently mounted in your horse trailer or hung over a standard 2" x 4" with the two provided 15" single wire hooks. Completely collapses for maximum storage and portability. The Hat Can Holder is made from carbon steel and is zinc plated to prolong the life of the product. The Hat Can Holder is a Royal Wire exclusive!

WFM-HAT-001
Hat Can Holder

WFM-CLH-001
Clothes Hook

Our Triangular, one-piece constructed Clothes Hook fits over any standard 2" x 4" board. Perfect for holding any riding apparel at home or on the road. Simple and functional. 19" Deep.

GATES

Royal Wire's first equine product ever manufactured is our Stall Gate. We have been making them since 1974. Our Stall Gates are durable, attractive and were inspired to increase ventilation and visibility. All our Stall Gates are made to fit a standard 48" stall door opening. The reason why we make our Stall Gates 52" wide is having over-lap in width adds extra strength to the Stall Gates. All of our Stall Gates are made out of 1" round tubing and sturdy 5/16" diameter carbon steel wire mesh and are either zinc plated or epoxy coated for rust resistance.

Recommend method of latching the gates is a screw eye and double ended snap, which you can find at any hardware store.

* Please Note all Royal Wire's Stall Gates must be shipped F.O.B. Freight Cleveland, Ohio.

GAT-40N-001 52"W x 40"H Small No Yoke Stall Gate

A perfect fix for running from racetrack to racetrack is our 52"W x 40"H, Small No Yoke Stall Gate. Small mounting plates are included with this model, no washers or locking nuts. Please note the hinges add 2 inches to the overall width on this Stall Gate and this gate is going to be finished in a silver epoxy coating.

GAT-42Y-001 52"W x 42"H Small Yoke Stall Gate

For the socially, well-behaved horse, Royal Wire offers a 52"W x 42"H, Small Yoke Stall Gate. Large Mounting Plates are recommended, but not included. Please note the hinges add 1" to the overall width of this Stall Gate. Finish Zinc Plated.

GAT-62N-001 52"W x 62"H Large No Yoke Stall Gate

Royal Wire's 52"W x 62"H, Large No Yoke Stall Gate is strong enough to contain the most rambunctious of horses. Royal Wire's Large Mounting Plates are recommended, but not included. Please note the hinges add 1" to the overall width of this Stall Gate. Finish Zinc Plated.

GAT-62Y-001 52"W x 62"H Large Yoke Stall Gate

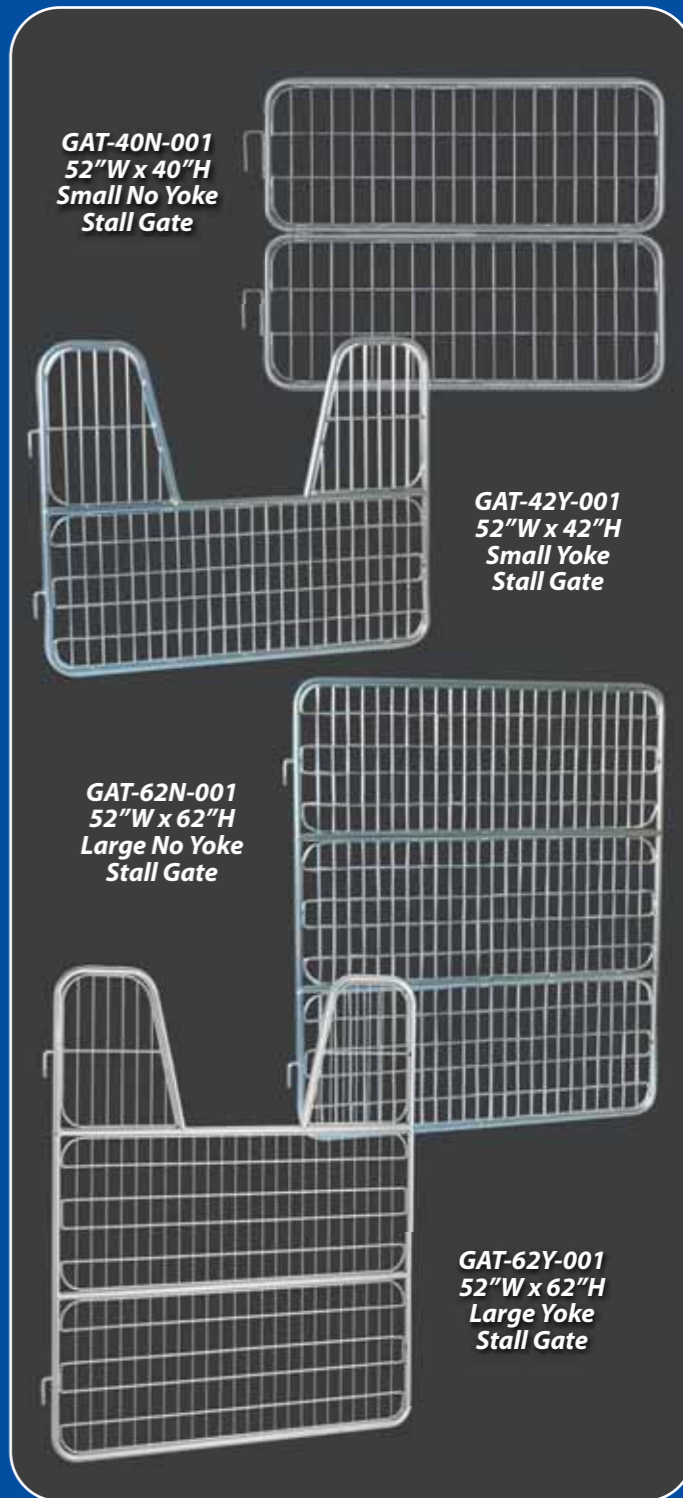

Saving the best for last, the original Large Yoke Stall Gate! This 52"W x 62"H Yoke Gate is the product from which all of our others were born! Large Mounting Plates recommended, but not included. Please note the hinges add 1" to the overall width of this Stall Gate. Finish Zinc Plated.

GAT-MPL-001 Large Mounting Plates

Large Mounting Plates are specially designed for Royal Wire Stall Gates. These plates are sold in sets of two and measure 2"W x 4"H x 1"D. Screw hole openings are 3/8" diameter. Plates are manufactured out of 12 gauge carbon steel and are zinc plated. Sets come with two, 3/8 x 16 self-locking nuts and two, 5/8" washers. Screws not included. Finish Zinc Plated

GAT-MPS-001 Small Mounting Plates

Small Mounting Plates are specially designed for Royal Wire Stall Gates and accessories. Plates are sold in sets of two and measure 1"W x 4"H x 1"D. Plates are manufactured out of carbon steel and zinc plated. Screw hole openings are 1/2" diameter. Nuts, washers and screws not included with Small Mounting Plates.

WHEELED PRODUCTS

The Original Royal Wire Rolling Dolly makes lugging saddles to and from horse trailers to tack stalls a cinch. This two-tiered, four wheeled system comes with a 3-hook bridle rack and a roomy 20"Lx 13"W basket that is welded to the Rolling Dolly's frame. The Rolling Dolly by itself is great for moving heavy tack trunks and bales of hay. Customize your Rolling Dolly by choosing any two of the following product options: Saddle Racks, 18"x 13" Basket, Speed Rail, Flat Shelf or Saddle Pad Holder. Please note that all of the above options are sold separately and are interchangeable with our Main Frame System.

To show off the Rolling Dolly's versatility even more, the Rolling Dolly collapses for convenient transportation and storage.

**WHL - RDL - 001
Rolling Dolly**

**WHL - RBK - 001
Rolling Basket**

**WFM - RBI - 001
Rolling Basket
Insert**

The Rolling Basket Insert: turns our Rolling Basket into a free standing, rolling saddle rack for either a Western or English saddle.

**WHL - 3GC - 001
3-Tier Grooming Cart**

**WHL - MAN - 001
Manure Bucket
Dolly**

*Bucket not included.

Our handy dandy Rolling Basket is one of our most popular products to date. The Rolling Basket features two roomy, sturdy, 18"L x 13"W x 8"D baskets. The Rolling Basket is great for toting all your tack and grooming supplies. One-piece construction and quality, hard rubber tires make the Rolling Basket extremely durable.

The 3-Tier Grooming Cart was designed with the professional groomer in mind. However, it can be used for just about anything where there are lots of items that need to be moved from place to place.

The Manure Bucket Dolly is "Mama G's" claim to fame! The Manure Bucket Dolly is designed to hold a standard 2-bushel (19-gallon) bucket. Bucket not included.

BLANKET RACKS

**WFM-BLK-001
Blanket Bar**

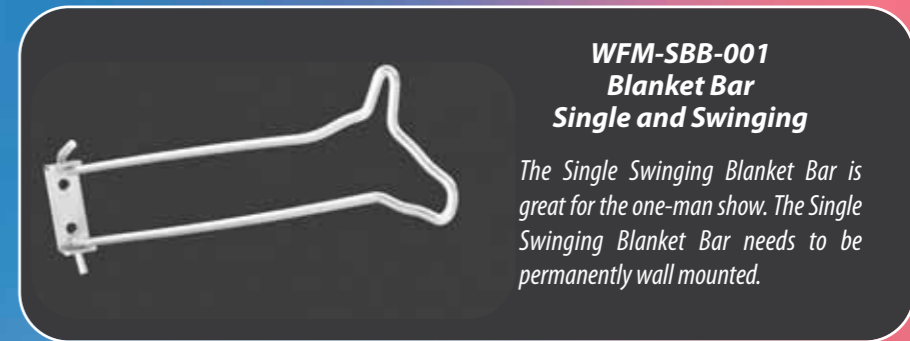

Royal Wire's Blanket Bar helps keep your barn aisles clear and blankets neatly off the ground. It holds the bulkiest of winter blankets, coolers and sheets. Hang it over a standard 2" x 4" or it may be permanently mounted to a stall front or wall. The Blanket Bar is made of carbon steel and is zinc plated.

Please note that our small mounting plates are available for permanent mounting. See page 3.

**WFM-FBB-001
Blanket Bar 5 & Swinging**

Our Five-Swinging Blanket Bar is a best seller and is terrific for hanging blankets and conserving space at the same time. Easy accessibility, great for ventilation, super for seasonal storage and when not in use, the horse heads lay flat against the wall out of the way. The Five-Swinging Blanket Bar needs to be permanently mounted to a wall.

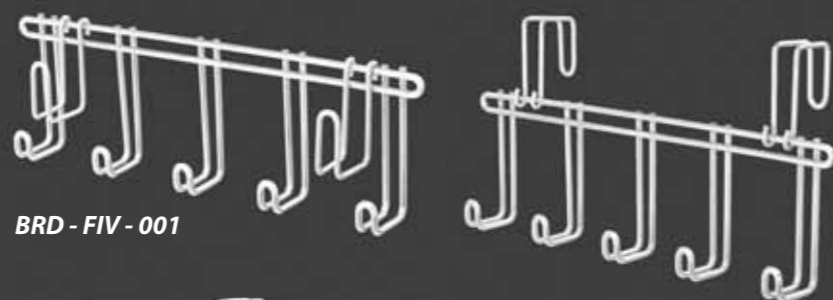

**WFM-SBB-001
Blanket Bar
Single and Swinging**

The Single Swinging Blanket Bar is great for the one-man show. The Single Swinging Blanket Bar needs to be permanently wall mounted.

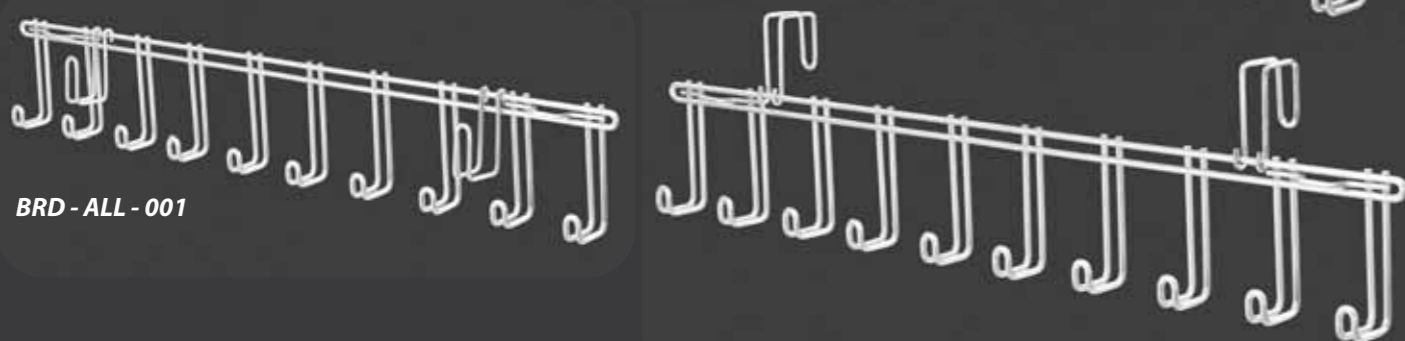

BRIDLE RACKS

Whether for use in the barn, trailer, or on the road, Royal Wire Bridle Racks are designed for convenience and durability. All Bridle Racks are constructed out of carbon steel and are zinc plated, for rust resistance. These all purpose Bridle Racks can also double as garage organizers for brooms, rakes, and shovels.

Five-Hook and Ten-Hook Bridle Rack includes: 2 attached flip-able hanging hooks. Fits over standard 2" x 4", or, if using wall mount option, flip attached hooks forward, creating 2 additional, usable hooks. Our Five-Hook Bridle Rack is 21"L x 6.5"H and our Ten-Hook Bridle Rack is 44"L x 6.5"H.

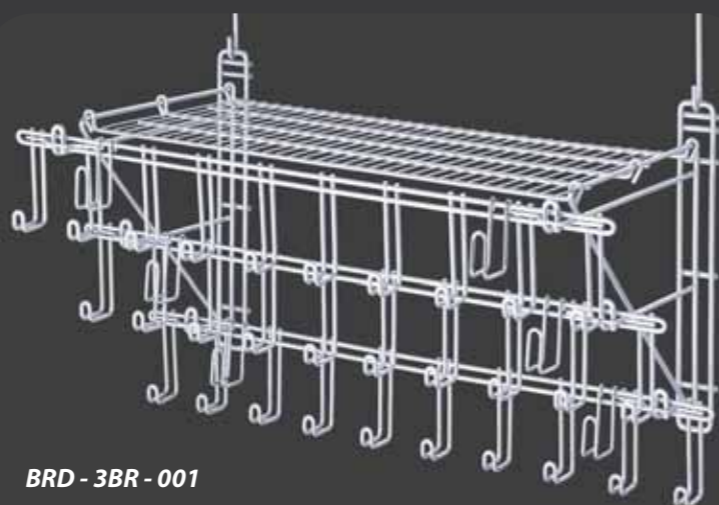

BRD - FIV - 001

BRD - ALL - 001

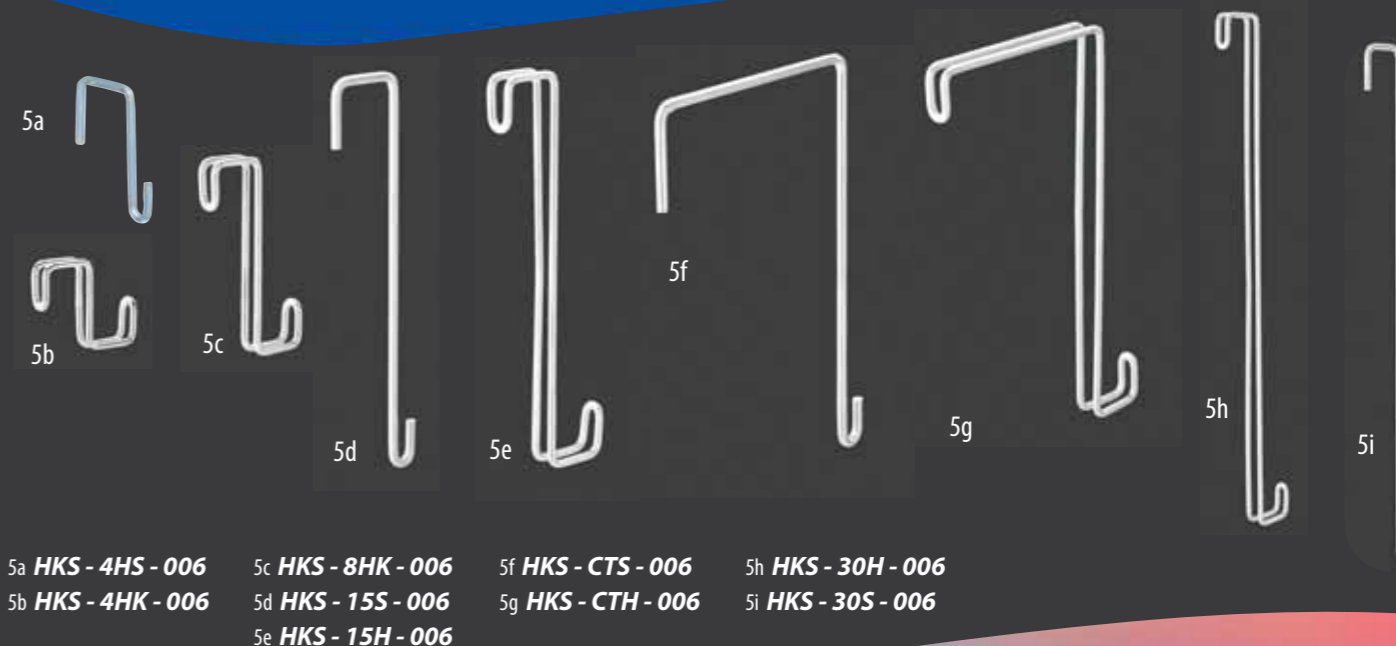

The grand daddy of all bridle racks is our Three-Tier Bridle Rack, that's exclusively Royal Wire's. Our Three-Tier Bridle Rack holds 30+ pieces of tack, uses less than 45" of precious wall space and is easily collapsible for convenient transportation to and from shows. The Three-Tier Bridle Rack comes complete with a great space saving shelf, and three removable 10-Hook Bridle Racks. The Three-Tier Bridle Rack can be mounted permanently in a tack room or hung by two provided 15" single hooks and is 44"L x 22"D x 26"H.

BRD - 3BR - 001

HOOKS

Royal Wire currently manufactures ten varieties of hooks. All hooks are manufactured out of carbon steel and are zinc plated. They are the heaviest, strongest hooks on the market today. Their durability is unsurpassed.

Single Wire Hooks

Royal Wire's Single Wire Hooks are made out of 3/8" diameter carbon steel and zinc plated to prevent rust and corrosion. Recommended usage with other Royal Wire products: Three-Tier Bridle Rack, Main Frame, Portable Saddle Rack, Hat Can Holder and Three-Tier Wall Basket Unit.

Please note that all Single Wire Hooks are sold in sets of six.

Single Wire Hooks: fits over a standard 2" x 4" board:

- HKS-4HS-006 4"L
- HKS-15S-006 15"L
- HKS-30S-006 30"L

Single Wire Hooks: fits over a standard cement block:

- HKS-CTS-006 15"L

Double Wire Hooks

Royal Wire's Double Wire Hooks are made out of 5/16" diameter carbon steel and zinc plated to prevent rust and corrosion. Recommended usage to hang: Bridles, Halters, Lead Ropes, Lunge Lines, Coats...anything you need!

Please note that all Double Wire Hooks are sold in sets of six.

Double Wire Hooks: fits over a standard 2" x 4" board:

- HKS-4HK-006 4"L
- HKS-8HK-006 8"L
- HKS-15H-006 15"L
- HKS-30H-006 30"L

Double Wire Hooks: fits over a standard cement block:

HKS-CTH-006 15"L- This Hook does double duty as a portable garden hose rack! Flip it upside-down onto a standard 2" x 4" and use the wide hook side to hang a hose.

Water Bucket Hook

HKS - BUY - 006 5.5"L

Royal Wire's Portable Bucket Hook is manufactured out of 1/4" carbon steel and zinc plated to prevent rust and corrosion. Great for the horse that likes to toss feed and water buckets around.

Please note that the Portable Bucket Hook is sold in sets of six only

M A I N F R A M E

The Royal Wire Main Frame System is our crown jewel and the backbone of our organizational system. The Four-Tiered Main Frame is constructed out of carbon steel and is zinc plated to guard against rust and corrosion.

The Main Frame can be permanently mounted to a wall or hung with the two 15" single wire hooks provided. Functional, durable and easily assembled, this main frame system is great any where you put it.

Customize the Main Frame using up to four of the following options:

While our Main Frame organizational system can be customized in a variety of ways, here are our top three requested combinations:

MFR-SPH-001

Main Frame I: includes three Saddle Racks and one Saddle Pad Holder on bottom tier of Main Frame.

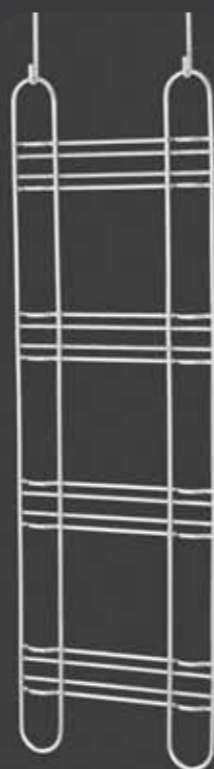

MFR-BSK-001

Main Frame II: includes three Saddle Racks and one 18" x 13" x 8" Wire Basket on bottom tier of Main Frame

MFR-SAD-001

Main Frame III: includes four Saddle Racks that accommodate any combination of English and/or Western saddles.

WFM-MFR-001

Royal Wire's exclusive Saddle Pad Holder has a horse head design to help keep saddle pads off the ground and aids in airing them out at the same time. The Saddle Pad Holder holds up to five saddle pads. The Saddle Pad Holder is constructed for use on the bottom tier of the Main Frame or to fit over a standard 2" x 4".

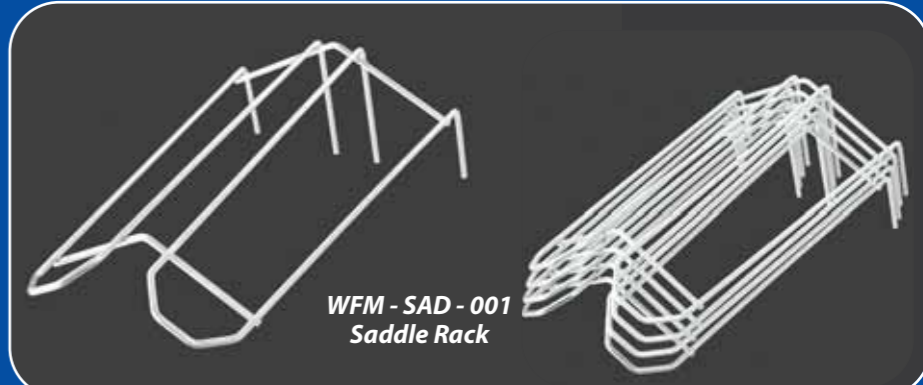

WFM-SPH-001 Saddle Pad Holder

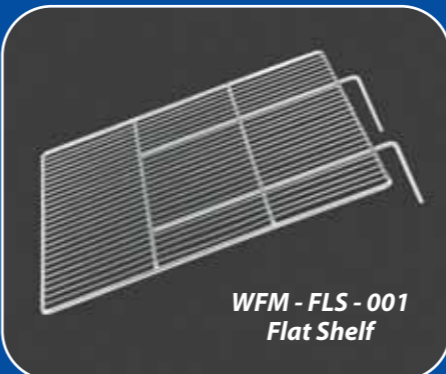

WFM-SPR-001 Speed Rail

Our Speed Rail is a narrow, 19"L x 6.5"W x 7"D basket. The Speed Rail is perfect for medications, feed supplements, leg wraps and spray bottles.

WFM-SAD-001 Saddle Rack

Our durable Saddle Rack is made out of 3/8" diameter carbon steel, and zinc plated to guard against rust and corrosion. These Saddle Racks are capable of holding English or Western Saddles. The saddle racks, when removed from the Main Frame, are stackable for easy hauling. Please note: these saddle racks only fit Royal Wire's Main Frame and Rolling Dolly. Each saddle rack is sold separately.

WFM-FLS-001 Flat Shelf

Large enough to safely store hat boxes and saddle pads up off the floor. The Flat Shelf is meant for the top tier of the Main Frame. 28"W X 26"D

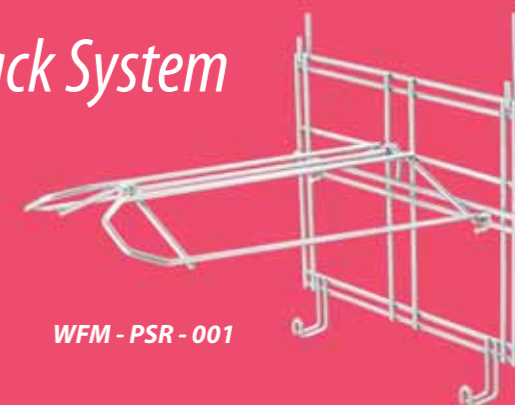

WFM-BSK-001 Basket

Perfect for holding all those little extras a groom needs, and easily removable for carry and go convenience, our 18L" x 13W" x 8D" Basket can be used on Royal Wire's Main Frame, Rolling Dolly and also fits over a standard 2" x 4" board.

One-Man Show Portable Saddle Rack System

The Portable Saddle Rack is great for the novice horseman. It is easily collapsible and folds flat against a wall for more space. The Portable Saddle Rack includes 2 bridle hooks for hanging bridles, halters or leads. Two 4" single wire hooks are provided to hang the Portable Saddle Rack over a standard 2" x 4", or may be permanently mounted to a wall.

WFM-PSR-001
